# WHAT **BLUE** ARE YOU?

32

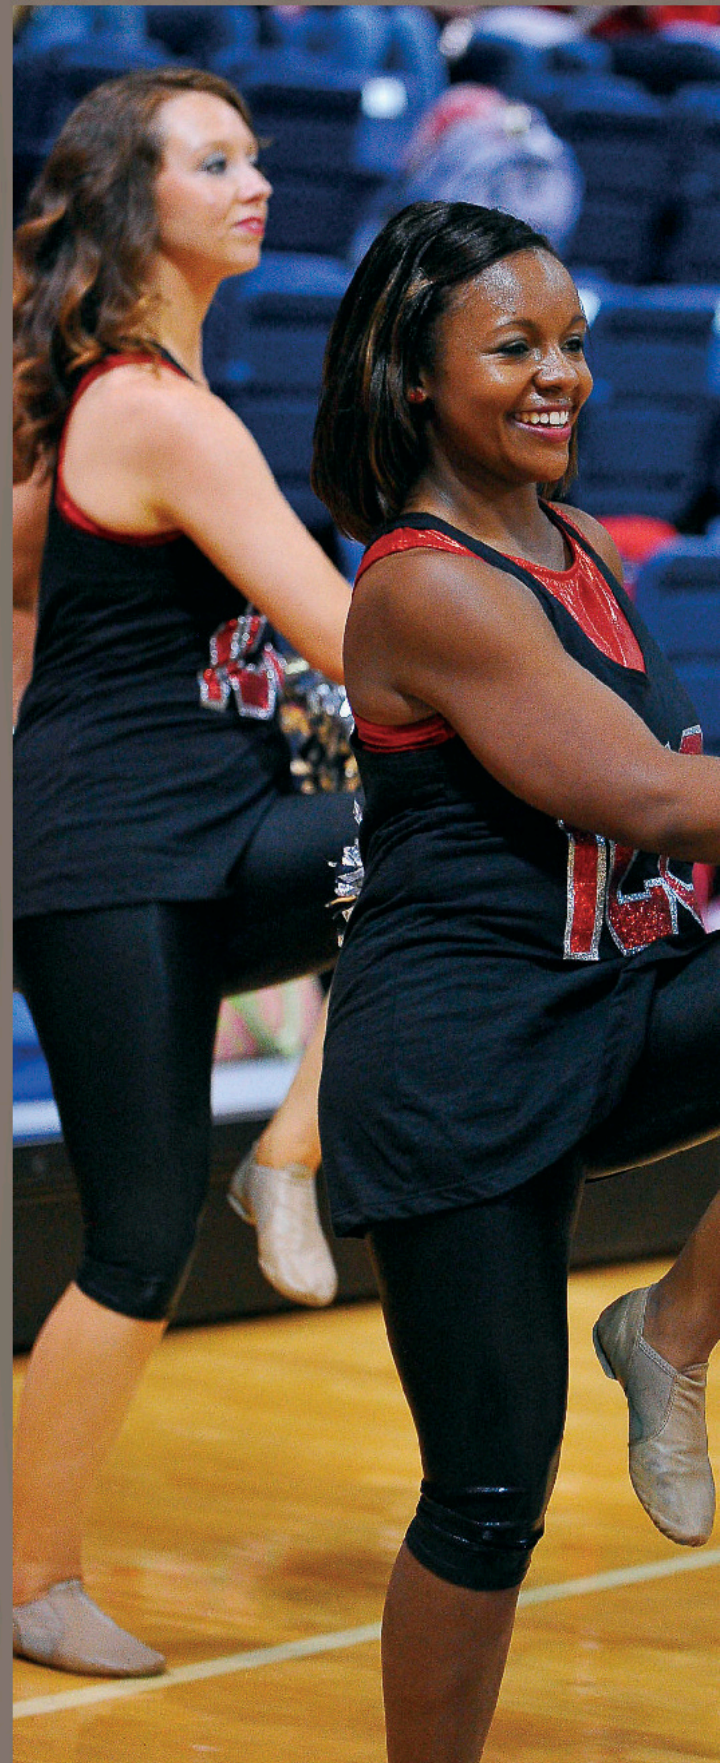

**T** rue Blue...it means different things to different people. At ICC, it's a way of life. The college's colors are red and blue. And, at athletic events, students show their school spirit by "Spreading the Red"...wearing their school color of red with pride. Our other school color of blue brings to mind the term "True Blue."

ICC students are true to their school. They show their dedication, determination, and commitment in many ways. It can be seen in the classroom, on the court and field, at club activities and in their everyday lives. In the following pages, you will see hundreds of ways that our students are **TRUE BLUE.**

# FALL SPORTS

*Though fall is leaves changing colors, bonfires, and layers of clothes...to ICC students it is much more. Fall is the music of the All American Band, cozy blankets at the soccer matches, and of course, the echo of "The ICC Chop" during Thursday night football games.*

The Indians made history with a starting record of 5-0 and were ranked No. 4 in the NJCAA poll. They later fell to No. 20 after losses to Co-Lin and Coahoma. The Indians secured a spot in the playoffs after beating rival Northeast, 36-33.

As football geared up for the playoffs, the men's baseball team worked on playing together on the college level and getting fit for their spring season. The fall season was about gaining experience and getting ready to compete.

And as the baseball team worked hard in preseason, ICC's soccer teams celebrated the outstanding season they had this year. Men's Soccer had a successful season earning MACJC North Division crown. Daniel Cox and Cullen Grantham, of the men's soccer team, as well as Amber Caruth and Katie Proctor, of the women's soccer team, were selected to play in the first ever MACJC All-Star game. As fall sports ended and winter moved in, we celebrated the success of all our Indian athletes.

## Personal Notes from some of ICC's Finest

Q: What has been your most memorable performance this football season?

A: *The game against Northeast because our band dominated during the Battle of the Bands. Our band did not repeat songs like Northeast, and as we kept playing they walked off.*

Drum Major  
Justin Miller

Q: How has being an Indianette impacted your college experience?

A: *"Being an Indianette has helped me get involved in one of the best bands, gain a whole new family that I will never forget, and has kept me active throughout college. As a captain this year, it also taught me the importance of responsibility and love for my team."*

Hart  
Robbins

Q: How does it feel to be on a nationally ranked team? How has ICC's football program prepared you to play on the next level?

A: *"It feels pretty good to be on a nationally ranked team. The better your team is the better chance you have as an individual to move on to the next level. ICC's program is a blue collared program which means it is as tough as it gets."*

Shante  
Rogers

# FALL BASEBALL

"We are looking forward to the upcoming season. We have a lot of experience coming back from last year and a great incoming class. The offensive leaders from last year are still here and we

are expecting them to do it again. Being a new assistant coach here at ICC, I am very excited about the upcoming season and the potential that our team has. The team, as a whole, has a great chemistry

and is the most hard working group I have ever been around."

## State Champions!

The Indians celebrated the program's first MACJC title since 2009 after a thrilling 73-72 win over East Mississippi.

"We are blessed," said Coach Grant Pate. "This group of guys bought into each other from the first day of practice and I couldn't be more proud to see all their hard work and dedication be rewarded with a conference championship."

The Indians (17-9) open the second half on a 12-0 run only to see the Lions (18-6) use an 18-2 run to cut the lead to 72-69 with 5.4 seconds left in the game and freshman Tyrone Wooten (Memphis, TN) at the free throw line.

Wooten left the door open for the Lions after missing the first of two free throw attempts. "I knew I had to do it for my teammates," Wooten commented. "I didn't think about anything, but going through my regular routine and it was just an amazing feeling when I heard the crowd react after it went through the net."

The free throw proved pivotal as the Lions buried a NBA-range three as time expired before the ICC student section to rush the floor in celebration of the Indians' championship.

Wooten finished with 9 points while fellow Memphis native Alex Anderson led ICC with 19 points, Johnthan McGee (Raymond) added 14 and Tory Rice (Starkville) had his 11th double-double of the season with 10 points and 10 rebounds.

## ITAWAMBA COMMUNITY COLLEGE INDIANS

"The first event of the year is always the toughest," said ICC coach Dr. David Rather. "It's a lot different going up against guys that you haven't played with before versus guys that you have practiced with all year."

The Itawamba Community College golf team opened the 2013 Mississippi Association of Community and Junior College (MACJC) season at the Pine Course of Diamondhead Country Club in

Bay St. Louis, MS in February.

The Itawamba Community College golf team finished the Mississippi Gulf Coast Community College Invitational on a strong note improving 13 strokes from their opening round effort to finish sixth place in the opening event of the season.

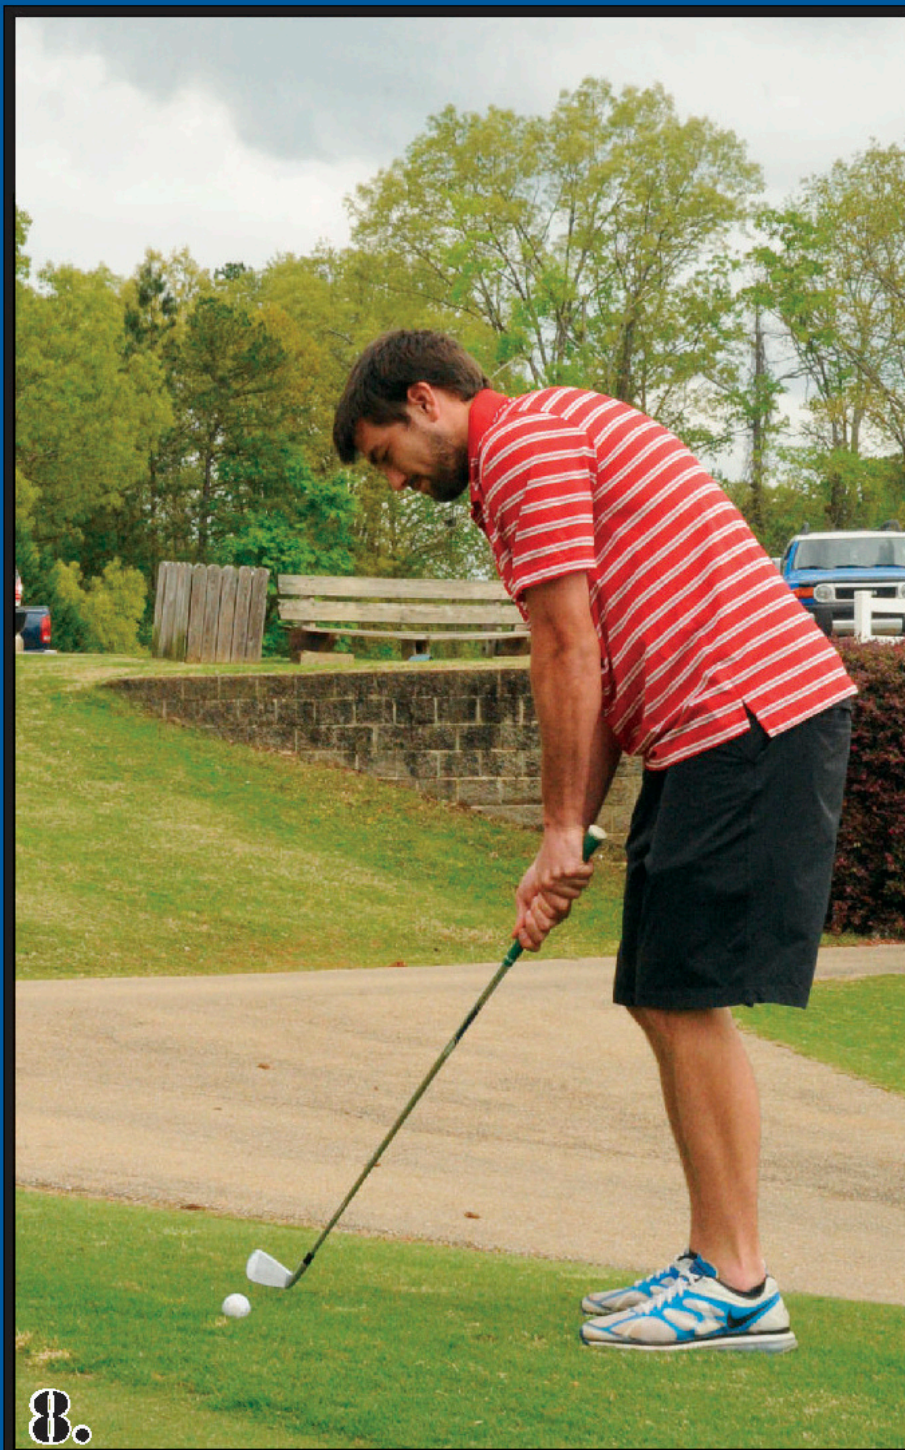

The Indian golf team struggled in Day 1 of the Hinds Community College Invitational that was highlighted by snow and freezing

temperatures at Eagle Ridge Golf Club in Raymond.

"An 83 isn't a bad score considering the weather conditions," said ICC golf coach Dr. David Rather. "It's unfortunate that the guys had to play in these weather conditions, but it is what it is and you have to do your best no matter the conditions."

The talented instrumentalists, vocalists, and crew members are chosen through an audition process that takes place each spring. This group not only receives training in the performing arts, but it represents hard work and perseverance. Each member has a talent and a passion for the activity, which makes for a great group of performers.

The comedy is set in a condominium in a gated community in Florida, where two retirees, Angie Drayton, played by Mary Chandler Izard, and Martin Wheeler, played by Dan Eubanks, decide to do something worthwhile with their savings in their retirement years. Angie's son, Larry, played by Trey Umfress, and daughter-in-law, Traci, played by Maggie Marshall, are not thrilled with their plan, and ask Dr. Krapinsky, played by Ryan Perich, to declare Angie mentally unstable. Cy Williams directed, along with student director, Dani Coleman. Lighting and sound was by Molly Fly and John Wayne Harris.

Angie (Mary Chandler Izard) and Martin (Dane Eubanks) confide in each other.

Larry (Trey Umfress) is deep in thought over how to stop his mother from giving away his inheritance.

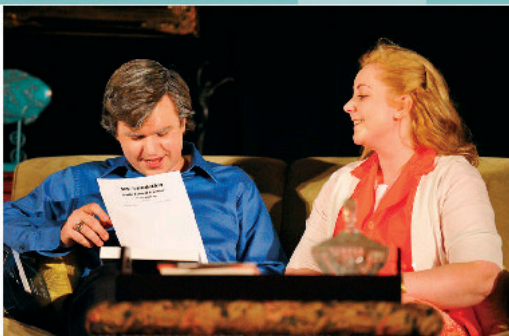

Traci (Maggie Marshall) complains to her husband, Larry (Trey Umfress).

# Eaton Begins A New Era

Top left, President Mike Eaton visits with Jimmy Taylor and ICC Athletic Director, Carrie Ball-Williamson. Top right, President Eaton and Alumni Association president Dr. Amanda Summers present Marilyn Sumerford with the Alumnus of the Year award. Left, President Eaton talks with Dr. Jan Reid-Bunch and Rev. Phillip Boxx before the ICC/Northeast basketball game.

On July 1, 2013, Mike Eaton became ICC's sixth President after having served the College for almost four decades in various capacities, including instructor, assistant and head football coach, director of Student Activities, assistant dean of Students and vice president of Student Services. For the past three years, he has been assistant to the President.

Eaton is credited with providing the leadership for every major initiative the College has undertaken in the last five years including chairman of the Institutional Effectiveness Task Force, which has focused on student persistence, the improvement of retention, and the increased graduation rate. The Task Force's "Graduation...It Matters!" campaign led to ICC's achieving the highest percentage increase in graduation rates among all 15 two-year institutions in Mississippi. From July 1, 2010 to June 30, 2011, 1,355 ICC students received degrees or certificates, a 53.80

percent increase over 2010. In addition, Eaton has served as chairman of the Standards committee, which has successfully branded the College by establishing guidelines for the utilization of logos and marketing/public relations efforts.

"Mike Eaton is the right person at the right time to lead the College," Dr. David Cole said in

January upon announcing his retirement. "He is a proven educational leader who possesses a contagious, optimistic outlook on life. His positive manner, winning attitude and four decades of dedication to ICC make him uniquely qualified. At each position (which he has served), he has earned the respect and trust of his colleagues. He is credited with providing the leadership for every major initiative the College has undertaken in the last few years. His experience and love for the College make him the natural choice to be selected in the College's succession planning."

# Colophon

This year's publication, the 2013-14 edition of the *Mirror*, represents many hours of hard work by the dedicated staff. The 26 member staff began work in August on the 176 page book. The book was sent to the printer at the end of March 2014. The pages were submitted by the staff over a series of three deadlines: October, November and January. These completed layouts were then uploaded online to Jostens for proofs, revising and finally for printing.

We, the editors, would like to thank the staff and also our advisor, Kim Wiygul Williams, for working to create yearbook that represents the "True Blue" spirit of Itawamba Community College. We would also like to thank Maggie Caldwell for photography, and Will Kollmeyer and Adam Gore for sports information. It is our hope that this yearbook positively represents your experience here at ICC, and that you will enjoy it, along with the memories you made here, for many years to come.

# A Successful Year for ICC

ICC welcomed a new president, as Mike Eaton succeeded Dr. David Cole. The college continued to support its students, with the PACE program being a prime example. The health programs enjoyed being their new home at the Health Sciences building on the Tupelo campus. Many activities and performances were a big part of the year's events, including an involvement fair in which campus clubs and organizations participated.

# Around the World

The past year brought many exciting changes along with several tragic events. The world gained a new prince, Prince George, as the son of Prince William and Catherine was born in July. The Seattle Seahawks and Boston Red Sox celebrated championships, and the United States won 28 medals at the winter Olympics in Sochi, Russia.

Typhoon Yolanda, one of the strongest tropical cyclones on record, hit the Philippines and Vietnam, causing devastation with at least 6,241 dead. The winter brought unusually frigid weather to country, with the South even affected by several severe winter storms.

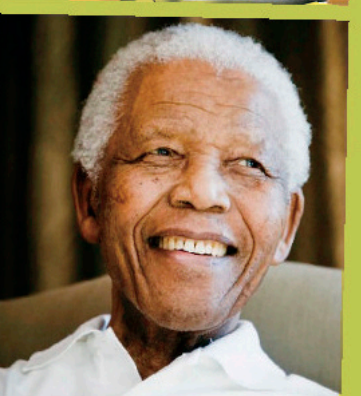

Prince William and Catherine leave the hospital with their son, Prince George of Cambridge.

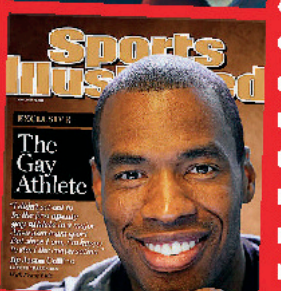

Above, Typhoon Yolanda devastates the Philippines. Twitter hits Wall Street. Thrift Shop tops the Billboard Chart. Birmingham faces winter storm. The Seattle Seahawks win their first Superbowl.

Below, The Boston Red Sox win the World Series. Actor Philip Seymour Hoffman died. The Federal Government shut down for 16 days. South African leader Nelson Mandela died. Meryl Davis and Charlie White win in ice dancing at Olympics.

Above, 12 years a Slave wins Best Picture Oscar. Twinkies returned to the store shelves. Jimmy Fallon replaces Jay Leno on the Tonight Show. Disney's Frozen was a big hit at the box office.

Below, Actor Paul Walker died. Target faced a security breach of customers' data. Jason Collins became first openly gay athlete to play in US pro sport. Snapchat was a huge social media success. The TV series Breaking Bad ended.
